When our renovated community kitchen re-opens in January, one of our primary objectives is to provide meals that are as healthy as possible. Many of those who come for this meal suffer from diabetes, heart disease, and high blood pressure. In addition to having a salad bar, we want to provide a meal that is not only good but good for you.

Thanks to a generous grant from the Health Care Foundation of Greater Kansas City, we hired a young man who was recently a line cook for the Kansas City Chiefs. Dwight Tiller, known as “Chef D,” has not only worked for the Chiefs, but he has helped with his parents’ catering business for all of his life. Dwight is finishing up a degree in Food and Beverage Management from Johnson County Community College in December. From his experience preparing meals for Kansas City Chiefs players, Chef D knows what it takes to put together a meal that is healthy.

Barring the unexpected, we plan to open the renovated community kitchen in early January. The evening meal is not just for those who are unable to afford it, but everyone is welcome. We plan to paint a cat on one of the walls with a slot in it. If you want to make an offering by putting something into the “kitty,” that would be appreciated.

We’ll let you know when the doors of the One City Café open and hope you will come dine with us. Wheaties may be the “Breakfast of Champions,” but thanks to Chef D, we’ll be serving the “Dinner of Champions.”
A Unique Christmas Gift
Sponsor a Night at the One City Café

What do you give a loved one for Christmas when he or she already has everything?
You might consider sponsoring a night at the One City Café in their name.
Every Monday through Friday night, about 230 people come for a hot meal. We post the name of the person for whom the meal is in honor or memory of in the dining room. After the meal is served, your loved one will receive a copy of the sign along with the number of meals served and the menu.
If you would like to sponsor a meal in honor or memory of someone you can easily do so at bishopsullivan.org.
I’m sure your loved one will appreciate the unique gift and that you thought of them in a charitable fashion.

Tax Credits Available for Donations

The State of Missouri offers a tax credit – better than a tax deduction – for donations to Missouri food pantries. Most donations to Bishop Sullivan Center qualify for this credit.
For a donation of up to $5,000 per individual or corporation, you receive up to 50% back. You do not need to itemize deductions in order to receive this credit.
For those of you considering a year-end donation, this can be a tremendous benefit, both for our food pantry and you. For details, go to bishopsullivan.org or consult your tax advisor.

This little girl is happy about the food she and her mother received from our food pantry.
