To Bishop Sullivan Center volunteers, donors, supporters, and community members:

Thank you for the incredible support you have shown Bishop Sullivan Center since One City Café first opened its doors in January 2019. Since that time, we have proudly served two meals each weekday and currently welcome up to 450 diners daily, many of whom are unhoused individuals from the surrounding community.

I am writing to inform you of an upcoming change to the One City Café meal schedule. Beginning this summer, we will offer one on-site meal each weekday and provide all diners with a second meal to take with them.

Monday through Thursday, meal service will be available from 3:00 p.m. to 5:00 p.m. On Fridays, meal service will be offered from 11:00 a.m. to 2:00 p.m.

As Kansas City prepares to host World Cup events this summer, we anticipate increased traffic, transportation challenges, and other logistical impacts throughout the city. In response, we are adjusting our schedule so that One City Café operating hours more closely align with the working hours of our staff. This change will help ensure that we can continue operating safely, consistently, and effectively while continuing to serve large numbers of local diners during this busy season.

We are grateful for your understanding, patience, and continued support as we transition to this new schedule and continue serving our community.

Sincerely,

Michelle Carlstedt  
Executive Director
